VIDEO SUBMISSION GUIDELINE

Submitting your videos

Deadline: 17:00 (GMT+8) on Saturday 31 October

Your school will set its own process for collecting entries, so check with your teacher about how and when to hand in your video.

Each school will judge its own entries and select which videos go forward to the ANU team.

Video requirements

REQUIREMENT	DETAIL
Length	3 – 5 minutes (maximum 5 minutes)
Quality	480p or higher
File size	Under 50 MB
Language delivery	Presented in English
File name	School name, category and team name For example: DCB Junior Team Name
Before sending	Test playback on more than one device

Submissions that do not meet these requirements, including the deadline, will not be considered.

Judging criteria

CRITERION	WHAT IT MEANS
Research	Present with confidence and detail. Use specific locations, dates, figures and terminology.
Critical thinking	Confirm findings across sources and name the credible ones you used.
Clarity	Explain your solution plainly so anyone can follow it.

CRITERION	WHAT IT MEANS
Creativity	Compare your idea to existing solutions and show what is new about it.
Journey	Show the brainstorming, sketches, models and prototypes behind the result.
Growth	Reflect on what you learned and use storytelling to carry your process.
Presentation	Keep voice and sound clear. Vary your shots, angles and graphics.
Editing	Show development through screen recordings and time lapses, with balanced audio.

Schools can use the same criteria to choose your two entries (Junior and Seniors).
