

VIDEO SUBMISSION GUIDELINES

CHECKLIST

- Research: Present with confidence and detail—use specific locations, dates, figures, and terminology.
- Critical Thinking: Confirm findings across sources; mention credible sources.
- Clarity: Clearly explain your solution.
- Creativity: Highlight creativity—compare to other solutions and show innovation.
- Journey: Show brainstorming, sketches, models, and prototypes.
- Growth: Reflect on learning and use storytelling to share your process.
- Presentation Skills: Ensure clear voice/sound; use varied shots, camera angles, and graphics.
- Editing: Show development—use screen recording, time lapses, and balanced audio.
- Technical: Ensure the video is ~3 minutes, properly named, and tested on different devices as well as under 50 MB.

Example naming convention: DCB Juniors Team 1
